

### RT Pigs Scheme - Action plan for dealing with injurious behaviour

Action plan outlining measures to be implemented to minimise injurious behaviour and any need for tail docking. These actions must be specific and have timescales for completion clearly stated.

Action Number ____			
Injurious behaviour (e.g. tail/ ear/ flank biting, vulva damage):			
Action:			
Desired outcome (key measurables):			
Who is responsible?			
Date recorded:		Target date for completion:	
Progress update Date:			TICK IF ACTION IS COMPLETE
